

Why Should I Join School Council?

Some benefits of being a School Council member include:

- ❖ Being an important partner in the education system, whose views are valued,
- ❖ Contributing to the shared goal of improving student achievement,
- ❖ Having a vehicle through which to express opinions,
- ❖ Being able to keep informed about what is happening at the School and the Board, and at the provincial level of education.

As a School Council member, you can help your

Council discover new and exciting ways to contribute to the education of students in your school. Education is a partnership involving parents, students, teachers, principals, school boards, government, and the community.

Your involvement in the Council gives you the opportunity to strengthen that partnership, and to be part of a dedicated team working to ensure a high quality of education and an accountable education system for the children of Ontario.

Your participation can make a difference!
