

**March Break Statement
from the
Ontario Association for Parents in Catholic Education (OAPCE)
and the
Ontario Federation of Home and School Associations (OFHSA)**

Give us a BREAK!

On behalf of parents from across the province we would like to express our collective voice to strongly urge the Government to keep March break as a break for students, staff and parents.

This pandemic has taken its toll on everyone's mental health. This break is essential for educators and families to reset and recharge as they prepare to push through the last part of the year which will no doubt provide more challenges as school communities navigate ending another school year in the midst of a pandemic.
