

TVOkids shares safe and fun learning experiences that prepare children for school and life. All videos, series and games are advertisement free and developed in consultation with educators to support progressing through Kindergarten to Grade 6 in Ontario.

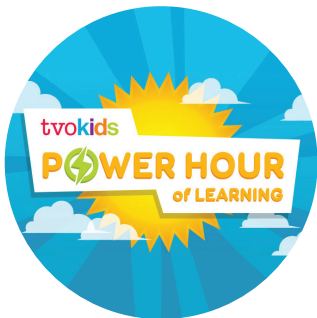

### Available anywhere

Enjoy TVOkids programs for free online through TVOkids.com, YouTube and smart TV streaming services.

### Advertisement free

Trust TVOkids to deliver safe, age-appropriate content that is free of advertising. We help families make the most of screen time routines.

### Educator consultants

Ontario educators help us ensure that everything we offer complements learning. Power Hour of Learning videos feature Ontario educators sharing hour-long lessons for students in Grades 1-6.
