Catholic Virtual Ontario will be featured in our upcoming webinar. This session will reveal the various components of CVO and online learning including the latest Catholic online courses, the new CVO website, student voice videos and various Catholic online resources. This webinar will be presented by staff from OCSTA and various teachers across Ontario. We look forward to seeing you at the webinar and together we will journey through all the latest developments and next steps in Ontario Catholic online learning.

**Saturday  
November  
26th  
9:30am**
